Lyrics for SALIS 25th Anniversary Conference, Toronto, April 22-26, 2003
Original Lyrics by Terry Gilkyson, Richard Dehr, and Frank Miller, Sung by Dean Martin
New Lyrics for SALIS by Andrea L. Mitchell

Sweet, sweet memories you gave a me
You can't beat the memories you gave-a me

1978 was the first
Libs of AOD conversed
21 girls, 3 boys
New projects, some joys
Memories are made of this

"SALIS" was the name of choice
Now librarians would have a voice
News..letter, Di..rec..tory
Helped to network
And doc-ument her-storrry (history)
35 girls, 5 boys
New friends, new joys
Memories are made of this

1986 brought a clash
2 male members acted rash
They suggested "Change Your Name"
"Thank-you , No!, We'll Keep the Same"
31 girls, 2 boys
More grief, some joys
Memories are made of this

As years have come and gone
We've pushed the field along
ETOH online for the flavor
Thes aurus and list-serv
Net training for dessert
These are the things, you will savor

25th seemed such a treat
Just before SARS hit the street
Sheila steady at the gate
Quelling fears to save the date
39 girls, 10 boys
Some grief, more joys
Memories are made of this
Memories are made of this
